Hospitality Ministry

Ushers and greeters belong to the Hospitality ministry. If you would like to be of great service to our Holy Trinity family, please consider Hospitality. Greeters welcome old and new parishioners and guests to our liturgies. Catholics have always been known for their hospitality, and if you like people, this is the ministry for you.

In addition to taking up the collections, our ushers make sure that everything runs very smoothly during our liturgies and other gatherings. For more information, call the office 536-4700 (Ashland/Plymouth) or 744-2700 (Bristol), or fill out the form below and drop in in the collection basket.
